

2021 VOLUNTEER RECOGNITION AWARDS GRADES 8 & 12 GRADUATES

April 19th, 2021

Attention: Principal / Guidance Counsellor

Our **33rd year** spotlighting community youth in Grade 8 and Grade 12 is eerily too similar to 2020. Our first and foremost concern is the health and safety of all of our community members and their families. The Coronavirus COVID-19 has had an immediate impact on our schools, children and business - globally, nationally, locally and here in our Albert Park Community. We would like to take the time to say ***“Thank-You”*** to all Teachers *and* school support staff on the outstanding job they are doing to keep our classrooms both in school and virtual running.

As we have learned to adapt to this new norm, we as a community association would like to honour our Community Youth Volunteers. The school year has dramatically changed however, continuing to recognize the important milestone that graduating either Grade Eight or Grade Twelve is on our youth is important.

This year, we recognize those youth who are making a difference in their community and school; those accepting and adapting to the unique situation and challenges we currently find ourselves in. For those youth, we would like to continue to offer this Award. Please help us identify and share this information with outstanding youth and add this to your list of Bursaries, Scholarships, etc. for which students may apply.

Thank-You

The **2021 VOLUNTEER RECOGNITION AWARD** is open to graduating students from **grades 8 and 12 who LIVE in the Albert Park Community Association area** (South of 25th Ave and West of Albert Street to Lewvan Drive) **and who are MEMBERS of the Albert Park Community Association** (*Memberships can be purchased on our webpage*). These awards will showcase the students who participate in activities within their school and within the community in which they live.

One (1) Awards of \$200 each will be available to **Grade 8 Graduates**
Three (3) Awards of \$750 each will be available to **Grade 12 Graduates**

An arbitrary committee delegated by APCA executive will choose the winners. Recipient students and schools, which they attend, will be contacted with the results. The deadline for application is **May 21st, 2021**. Note: **Prior to applying, applicants must live in Albert Park and their family must be members of the Albert Park Community Association to be considered for an award.**

Attached are some application forms for the 2021 VOLUNTEER RECOGNITION AWARDS to be held at your office for those students interested in applying.
